

The Manitoba Fly-In

NOTAP - Notice to All Pilots

INTRODUCTION:

This document is intended to assist pilots with information regarding the Manitoba Fly-In on September 2, 2023 at Morden, MB CJA3. All information in this document or any other document provided to pilots is subject to the Canadian Aviation Regulations, and in case of any conflict, the CARS will prevail.

ARRIVALS & DEPARTURES:

All arrivals will follow either the PIZZA 1 or the PUMPKIN 2 arrival procedure. Choose which entry point is most convenient for your point of departure. See map for procedures. Please remain at or above 2000' ASL on arrival and 1500' or below on departure until clear of aerodrome traffic zone.

PARKING:

Most parking will be on the west grass area if possible. Please follow instructions from ground crew. Hard surface ramp space priority will be given to aircraft that have prior arrangements for ground display. If you require hard surface for parking please taxi to the general ramp and marshalls will accommodate as best as possible.

LOCAL FLIGHTS:

Flying locally is recommended and encouraged throughout the event. Please remain below 1500' ASL until clear of aerodrome traffic zone. Pilots are encouraged to remain south/east of Highway 3/14 for local flying until well clear of arrival paths. CAUTION, BE AWARE OF FREQUENT ARRIVALS TO AERODROME. JOIN ARRIVAL PATH ON EITHER PROCEDURE AS APPROPRIATE AND BROADCAST INTENTIONS. BE VIGILANT TO LOOK FOR TRAFFIC AND COMMUNICATE.

FLIGHT DEMONSTRATIONS:

Attendance at the pre-event briefing is mandatory for all crew. Register your aircraft at the Marquis Tent and note the time to return to the tent for the briefing. Mandatory briefing times are:

Flour Drop 12:00

Spot Landing 13:00

STOL 14:00

FUELLING PROCEDURE:

Fuel is available for purchase from the Morden Flying Club. Broadcast intentions on 123.0 and taxi to fuel tanks near terminal building. Ground crew will marshall and provide instructions. Payment can be made by cash, cheque, or E-transfer. Sorry, no PayPal. Current fuel price 100LL \$1.80/L.

COVID-19 PROTOCOL:

All pilots, air crew, and attendees are requested to adhere to Manitoba Public Health Orders.
